VFW POST 7696

MLM

Hey Mates,

The time is flying by and soon Jolly Saint Nick will be here. Since the last time we went to press the weather has gotten much cooler. This adds to the season and about all we have left to this year is our Christmas party and Christmas, and all the meaning that brings to each and everyone of us. We just observed December 7th at West Chester Cemetery and had a very unusual 4 Volleys by the Color Guard in remembrance of George H.W. Bush as well as of “the day that will live in infamy” (FDR). This week will start the awards and recognition at the different schools for Voice of Democracy and Patriots Pen, and then the annual Christmas Party at Houston Inn. Then we get a three week winter break and we start all over again. I won't get mushy here and now, but save that for the new year! We hope to see one and all at the Houston Inn this coming Thursday December 13, 2018. Last but not least “be safe & kind to each other” Enjoy the weekend!
